Environmental Health Sciences Internship Handbook

Please answer the questions below:

1. What did you learn about the profession of public health through your internship?
2. What did you learn about the practice of public health in an organizational setting that was helpful?
3. What did you learn about your own professional likes and dislikes?
4. What did you hope to get from your internship that you did not experience?
5. Would you recommend placement in your field site to future public health students? Why or why not?
