SUMMER INTERNSHIP - To supplement the classroom experience, students must complete a 400-hour summer internship (10 weeks) with a health care organization. During the summer internship students prepare a proposal with a literature review and in the fall quarter following, the students prepare a problem solving consulting report with managerial recommendations.

- **Courses that apply toward the degree MUST be taken on a letter-graded basis.**
- Some of these required courses may be waived upon review and approval from the program director. However, **no unit credit is awarded for waived classes.** *Students must take an elective course (200-level or above for a grade) to fulfill unit requirement.*

* HLT POL 439 may be waived via Blue Petition if the student passes the waiver examination administered during Orientation. These units do not need to be replaced by elective units. For students who waive out of HLT POL 439, they will be required to take 17 courses for a total of 76 units to confer the MPH degree.
